The identified information, taken alone or in combination with other art, provides information potentially relating to the subject matter of the invention, but fails to teach, disclose or suggest the present invention. The filing of this Information Disclosure Statement shall not be construed as an admission that the information cited is, or is considered to be, material to patentability as defined in §1.56(b).

This Statement is being submitted more than three months after the filing date of the application but prior to the mailing of a first Office Action on the merits. Therefore, no fee is believed to be due. However, if such a fee is due the United States Patent and Trademark Office is authorized to charge any deficiency or credit any refund to Deposit Account No. 23-3030, but not to include any payment of issue fees.

Respectfully submitted,

By:
